Employees should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Social media or Text Messaging

- Youth under the age of 18, including students, volunteers, etc., are not to be included as "friends," "followers," or any other similar terminology used by various sites.
- All communication with youth under the age of 18 must include their parent or guardian and be only for reasons related to school, volunteer activities, etc., and never for the purpose of sharing or requesting personal information.

- Any form of social media contact with youth will also be copied to the parent(s) or guardian (s) of the youth.

Email

- Email services are available for Diocesan employees to conduct and communicate Diocesan business. Incidental personal use of email is allowed with the understanding that the primary use be job-related, and that occasional use does not adversely impact work responsibilities or the performance of the network and should never involve inappropriate or offensive content.
- Email services are provided only while a user is employed by the Diocese and once a user's electronic services are terminated, employees may no longer access the contents of their mailboxes, nor should they export their mailbox to a personal account before departure.
- Email users are advised that electronic data (and communications using the Diocesan network for transmission or storage) may be reviewed and/or accessed by authorized diocesan officials for purposes related to diocesan business. No child or youth under the age of 18 should be photographed in any form without the knowledge of their parent or guardian and a signed consent form. All photographs and videos of minors considered to be used for flyers, parish and diocesan publications, and the ministry website must have the written consent of the parent or guardian. Names will not be posted unless written authorization is given the parent or guardian, and then only first names will be used.

Ministry Web Pages

Anyone who establishes a ministry web presence should make a commitment to this vehicle of communication. Web pages, especially the index or main page(s), should be regularly updated. As with any ministry effort, there should be an intentional plan and set of goals regarding establishing and maintaining a web presence. Great care should be used to protect people on a web page that is publicly accessible and use the following guidelines:

- Personal information should never be made available (i.e. home address, home or cell number, home email address, etc.).
- Written authorization must be obtained from parent/guardian before posting photos or videos of young people.
- Pictures or videos should not be captioned with a young person’s name unless the parent/guardian has given you written authorization to do so.
- Never use a picture or video that might be considered embarrassing or unflattering or inconsistent with the mission of the Diocese.
- Care should be taken to protect the reputation of our church membership. If individuals are uncomfortable with a particular photo or video, it should be immediately removed from the website.

Online Gaming

Those who minister and work in pastoral settings with young people should take care in their involvement with online gaming. While this may be a recreational alternative, for many it is also an opportunity for social networking. Pastoral ministers should take care of protecting their online game identities so that appropriate boundaries are maintained.

No contact with minors in any form of online gaming, gambling or virtual reality and augmented reality gaming. Minors may not be physically present when personnel are engaged in any form of online gaming, gambling or virtual/augmented reality gaming.

Youth Protection policies extend into cyberspace. There should be no one-on-one online or digital activities (games, social media, etc.) or electronic communications. All users must respect the use of the electronic media. In doing so, we have the means to inform, educate and enlighten a vast number of people. Adults should always include or copy a parent or guardian in all online communications, ensuring no one-on-one contact exists in text, social media or other forms of online or digital communication. We are obligated to use the electronic tools in a manner reflective of the mission of the Diocese of Altoona-Johnstown.

I HAVE CAREFULLY READ, UNDERSTAND, AND HEREBY COMMIT TO CONDUCTING MYSELF IN ACCORD WITH THE DIOCESE OF ALTOONA-JOHNSTOWN USE OF TECHNOLOGY AND WILL HAVE NO DIGITAL CONTACT WITH A MINOR.
